Dear Vlad,

There are not enough words in the English language to thank you for all your help or to describe how wonderful a job you did at our wedding. Everyone is still talking about how great the food was.

Just had to let you know that our two Muslim friends for whom we requested vegetarian meals, because they only eat Halal meat, told us how you personally came over to them to make sure they were okay, and to discuss the similarities between Kosher meat and Halal meat. They were very flattered that you cared enough to approach them and they appreciated your time.

Thanks again for everything!!!

Sincerely,
